Restoration Dental

Practice Policies

Thank you for choosing Restoration Dental to meet your dental health care needs. It is our optimal goal to provide you and your family with the highest quality of dental care, while maintaining a friendly and relaxing environment. To keep our standard of care to a level which best serves your dental needs, we ask you to please observe the following guidelines:

Payment Options/ Insurance

To provide you with the best possible care, we require you to pay your co-payment at the time of services. Please understand that payment of your bill at the same time of service is part of your dental treatment.

Due to many changes in insurance policies, it is no longer an easy task to interpret each individual policy. Although we try to stay aware of these changes, it is not always possible. It is **your** responsibility to know your individual coverage. Failing to comply with your insurance guidelines could result in you, the patient, being responsible for all costs incurred. Please remember your insurance policy is between you and your insurance company and not the insurance company and doctor.

We hope this information adequately explains the options available to you. Restoration Dental's payment options are cash, check, money order, Visa, MasterCard, Discover and American Express, for the patients who choose to make monthly payments we offer short and long-term financing through Care Credit. A business staff will gladly assist you with the application process.

Restoration Dental "Welcomes" you and looks forward to taking care of your dental health care needs. We appreciate your courtesy regarding these matters.
